**2012 BASEBALL SIGN
PURCHASE/RENEWAL AGREEMENT**

Dear Business Owner,

It's Blue Tide Baseball time again! This year, the players, coaches, booster club members, and loyal baseball fans are expecting a successful season.

The Long County Diamond Club has the responsibility of the sign sponsorship. We need and appreciate the support of local businesses to our baseball program through their sign sponsorship. The signs are displayed at Fulcher Field throughout the year and your sponsorship is acknowledged at home baseball games and on the Long County High School Baseball website. Your sign and the acknowledgement will not only contribute to the marketing of your company, but will also show the baseball team and school how much support they have within our community.

We are now asking for your first-time sign sponsorship or your continued support to our baseball program. Your generosity is greatly appreciated and we look forward to seeing you at the games! **Go Blue Tide!**

Sincerely,

The Long County Diamond Club

THANK YOU FOR SUPPORTING LONG COUNTY BLUE TIDE BASEBALL!

Please update information where appropriate and return with your contribution
