

Long County High School
Baseball Diamond Club
P.O. Box 545
Ludowici, GA 31316

The 2010 Blue Tide baseball season is quickly approaching. For those of you who supported the team by purchasing signs during the 2009 baseball season, we appreciated your support and advertisement. Your support helped us provide equipment and supplies for the team.

If you are interested in supporting the team again or for the first time this year by purchasing a sign to be placed on the outfield wall, please fill out the attached agreement. First year signs are \$500 and \$250 thereafter. Please make checks payable to the Long County High School Diamond Booster Club.

As head baseball coach, I look forward to the challenge of keeping the winning tradition of Blue Tide baseball. The 2010 season should be an exciting one with powerful competitors on the schedule. The battle for the region 2-A crown will be a challenge. I hope that you will join me in supporting this year's group of young student's quest for a championship. I would like also to personally thank you for your continuing support of the Blue Tide baseball tradition.

This season between innings our sponsors will be recognized as a "proud" sponsor of Blue Tide baseball.

Sincerely,

Brian Thomas

Brian Thomas
