Primary Objective: To enhance the Long County tradition, build support and enthusiasm within the community, and provide for the needs of our players and coaches. The coaching staff and players work hard each season and off-season to develop the skills, character, and heart required to be a championship caliber team...the Touchdown Club provides financial and moral support to assist in this effort. In order to achieve this objective, we encourage all parents to become a member of the Touchdown Club and to get involved in the activities. **The money raised goes to supplement the budget from the Long County School System and helps to cover expenditures for items such as meals, equipment, uniforms, and electronics, etc.** Parental involvement, including a financial donation, is not a prerequisite for student participation in the football program. Your decision to become a Long County Touchdown Club Member is optional, although your support would be greatly appreciated.
